*Squak Mountain Retreat!*

Squak Mountain Retreat... tucked away and yet so close to everything! This 3 bedroom plus den 2.25 bath home has many upgrades that are sure to please. New ceramic tile in entry, kitchen, and bathrooms; new carpeting in fully finished basement. Newer Milgard white vinyl windows. New Rheem furnace with installed air purification system. Newer white kitchen cabinetry, double sink, and bay window. Stainless steel appliances included. Newer paint inside and out! Main level living, dining, and kitchen nook windows have light to the mountain's natural habitat. Enjoy 3 bedrooms on the upper level with bathrooms. Lower level family room is perfect for a home theater and has a den that could be converted into a bedroom. Utility room with laundry and half bath. Large garage includes attic storage and a robust work bench with ample work area and tool storage. Arborist-maintained trees and thoughtful landscaping. Side yard has boat/RV parking. And then there is the little house in the back...the approach is absolutely beautiful. Slab stone steps meandering upwards through a trellis to a sitting area. Peaceful and Zen-like, the lower level is a wonderful 4-person wet cedar sauna. The upstairs is unfinished with lights and electricity-- ready for whatever you imagine it to be. Close to 190 and all that Issaquah has to offer. See this one today!
