Architectural Retrospect

Offered At: \$359,900

Rare rambler awaits your personal touch. Architecturally modern. Many custom builders are building this style right now. Exceptional floorplan, vaulted ceilings, & wall of windows makes this home light and bright. What would make this home current? Ledge stone over the brick fireplace? An island kitchen opening into the family room with pendant lights and bar seating? Or perhaps just fresh paint colors and trim? Visualize the possibilities and make it happen! Opportunity is knocking on your door!
